WORLDSTAR PACKAGING INDUSTRY

The Leading Name in Paper
Cup Manufacturing.

About Us

Worldstar Packaging Industry Pvt. Ltd. is proud to be at the forefront of the paper revolution, driving the change towards sustainable and eco-friendly disposable paper products. With over 27 years of innovation and excellence, we continue to lead the industry in providing high-quality alternatives to plastic-based disposables.

Our Services

We specialize in the manufacturing of:

- ✔ Single Wall Paper Cups (1 side and 2 side coated)
- ✔ Ripple Paper Cups
- ✔ Double Wall Paper Cups
- ✔ Paper Straws
- ✔ Paper Bowls with Paper Lids
- ✔ Paper & Plastic Sipper Lids

Innovation & Industry First

We take pride in setting benchmarks in the Indian market.

2014

Introduced first company to achieve 100% in-house ripple cup production.

2016

Successfully launched paper straws in India, pioneering yet another eco-friendly alternative.

Our Commitment

At Worldstar Packaging, we are committed to innovation, sustainability, and customer satisfaction. From raw material sourcing to finished product delivery, every step is aligned with our mission to create eco-conscious packaging solutions that safeguard our planet for future generations.

COMPOSTABLE PAPER CUPS

Sip Sustainably, Save the Future!

As part of our ongoing efforts to provide innovative and environmentally responsible solutions, we are proud to offer high-quality compostable paper cups that meet the stringent standards set by the CPCB (India). These cups are made from materials that are biodegradable and compostable, contributing to a cleaner, greener future.

Here are a few key highlights of our certified compostable paper cups:

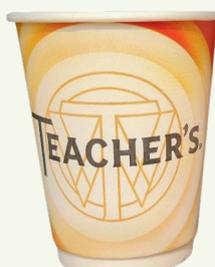

- **CPCB(India) / EN13432 / ASTM Certified:** Ensuring compliance with environmental and regulatory standards.
- **Eco-friendly Materials:** Made from biodegradable, compostable materials.
- **Sustainable Choice:** Ideal for businesses looking to move away from dependence on Single - use Plastic.
- **Home / Industrial Compostable: DIN CERTO(GR) Certified**

Customization

Turn every cup into a Brand Experience

- From cafeterias to large scale chains, we transform everyday cups into powerful brand touchpoints.
- Perfect for Cafeterias, events and promotions, coffee chains and QSR's
- Maintain brand consistency on all locations.
